

**Clinical Dentist
Permanent - Part Time 0.35 FTE**

Quest Community Health Centre is a dynamic non-profit, interdisciplinary health care organization. Our holistic model of care focuses on primary care, illness prevention, health promotion, community building and service integration while working within a harm reduction framework.

Quest is committed to providing high quality primary health care, dental and social services to residents throughout the Niagara Region which addresses the underlying social determinants of health, such as poverty, housing, unemployment and food security, all which have a significant impact on health outcomes.

Role:

The successful candidate will perform oral examination of clients, analyze dental health problems, and develop appropriate treatment plans, in a manner which meets client care needs and standards of the Ontario Seniors DentalCare Program, at both the St. Catharines and Fort Erie locations.

Qualifications include:

- Current degree in Dentistry from a recognized university and currently licensed to Practice in the province of Ontario by the Royal College of Dental Surgeons of Ontario (RCDSO)
- Membership in good standing including liability coverage through the RCDSO
- Awareness of and sensitivity to the dental issues of a culturally diverse community
- Ability to provide compassionate, respectful, non-judgmental and culturally competent care to vulnerable populations
- Interest in opportunities for continuous learning and career growth.
-

Salary Range: \$80.50 to \$93.32 per hour.

If you enjoy being part of a team environment and share our passion for providing a particularly innovative model of primary health care, send your cover letter and resume to hr@questchc.ca.
