

**Community Health Worker with Rainbow Niagara 2SLGBTQ+ Services
Full Time, Permanent**

Quest Community Health Centre is a dynamic non-profit, interdisciplinary health care organization. Our holistic model of care focuses on primary care, illness prevention, health promotion, community capacity building and service integration. Quest CHC delivers healthcare that addresses the underlying social determinants of health, such as poverty, housing, unemployment and food security, all of which have a significant impact on health outcomes.

Quest CHC committed to providing high quality primary health care and social services to residents throughout the Niagara Region. As such, Quest CHC supports and encourages opportunities for continuous learning and career growth for our team.

The Community Health Worker provides community liaison, health education and promotion in addition to development, implementation, evaluation of initiatives and personal development groups. The position has a strong emphasis on health promotion, disease prevention, and community capacity building and works within a harm reduction framework. These duties are accomplished as part of an interdisciplinary team of professionals whose objective is to provide primary health care and follow-up care for clients.

The candidate must be able to work varying work schedules and in multiple work locations.

Qualifications include:

- 1 to 3 years experience in a community based social service setting
- Completion of a college or university program in social work, health promotion or other social science or health related discipline is required.
- Current certification or willingness to become certified in Non Violent Crisis Intervention (NVCI).
- Ability to provide compassionate, respectful, non-judgmental and culturally competent care
- Police Reference check also required.

Salary Range: \$ 56,725.27- \$70,114.11
