Seasonal Agricultural Worker Wellness Therapist

Permanent Full Time (37.5 hours/week)

Quest Community Health Centre (Quest CHC) is a dynamic non-profit, interdisciplinary primary health care organization. Our holistic model of care focuses on primary care, illness prevention, health promotion, community capacity building and service integration. Quest CHC delivers health care that addresses the social determinants of health and is committed to equitable, accessible and culturally responsive care throughout Niagara.

Quest CHC Offers

- Salary: \$71,412.97 to \$88,268.54
- HOOPP Pension Plan
- Comprehensive Benefits
- \$1,000 annual professional development funding (per FTE)
- Supportive interdisciplinary team environment

Position Information

Program Area: Seasonal Agricultural Worker Health Program (SAWHP)

Status: Permanent Full Time

Hours: 37.5 hours/week. Regular schedule Monday-Friday 11:30 a.m. to 7:30 p.m. with participation in regular Sunday clinics during the seasonal agricultural worker season. Schedule adjusted accordingly.

Position Summary

The Seasonal Agricultural Worker Wellness Therapist provides culturally responsive, trauma-informed mental health assessment, brief therapy, crisis intervention, system navigation, health promotion and outreach to seasonal agricultural workers across Niagara. Services are delivered at Quest Community Health Centre, farms, worker accommodations and community locations. Working within an interdisciplinary primary care team, the therapist collaborates with employers, community partners and health providers to reduce barriers to care and improve health outcomes.

How to Apply

Please submit a cover letter and resume to hr@questchc.ca.

Quest Community Health Centre is committed to employment equity and encourages applications from members of equity-deserving communities.
