

**Registered Practical Nurse
Seasonal Agricultural Workers Health Program (SAWHP)
Part -Time Permanent**

Quest Community Health Centre is a dynamic non-profit, interdisciplinary health care organization. Our holistic model of care focuses on primary care, illness prevention, health promotion, community capacity building and service integration.

Quest CHC delivers healthcare that addresses the underlying social determinants of health, such as poverty, housing, unemployment and food security, all which have a significant impact on health outcomes.

We are committed to providing high quality primary health care and social services to residents throughout the Niagara Region. As such, Quest CHC supports and encourages opportunities for continuous learning and career growth for our team.

The RPN provides person-centered care services for various priority populations including Seasonal Agricultural workers who commonly experience barriers to accessing healthcare. This position plays a vital role in ensuring effective delivery of health care and follow-up during clinics and through outreach to farms, coordination of client care, including linking clients to resources. It also, aids in schedules appointments/tests, drafts correspondence/referrals and maintains electronic charts and files.

The RPN works with a high performing interdisciplinary team of professionals whose objectives are to provide health care and follow-up during clinics and through outreach to farms. Hours of work are from 11:30am -7:30pm and include Sundays during the growing season.

Qualifications/Experience:

- Registered Practical Nurse diploma (RPN) from an accredited School of Nursing
- Current and valid registration with College of Nurses of Ontario as an RPN
- 1 to 3 years' experience working with in an interdisciplinary team in a community, hospital and or long-term care environment
- A valid Ontario driver's license, access to reliable transportation and a Police Reference check are required
- Fluency in Spanish is an asset.

Quest CHC offers: HOOP pension plan, benefits, personal leave, support for professional development and a collaborative working environment.

If you enjoy being part of a team environment, and share our passion for providing a particularly innovative model of health care, send your resume to hr@questchc.ca. For a detailed job description, visit our website at www.questchc.ca.

We are committed to workplace equity and diversity, thus we encourage submissions from equity seeking groups who identify based on ability, cultural background, race, sexual orientation, gender.
