

# BE PART OF OUR TEAM

Quest Community Health Centre is a dynamic non-profit, interdisciplinary health care organization. Our holistic model of care focuses on primary care, illness prevention, health promotion, community capacity building and service integration.

Quest delivers healthcare that addresses the underlying social determinants of health, such as poverty, housing, unemployment and food security, all which have a significant impact on health outcomes.

Quest is committed to providing high quality primary health care and social services to residents throughout the Niagara Region. As such, Quest supports and encourages opportunities for continuous learning and career growth for our team.

## WE ARE HIRING NURSE PRACTITIONER- PERMANENT FULL TIME POSITION

Quest CHCs General Services and Urgent Service Access Team (USAT), currently have an opening for a shared Full Time Permanent, Nurse Practitioner position. This position is responsible for the provision of primary health care services in accordance with the Standards of Practice for Registered Nurses in the Expanded Class and the Expanded Services for Patients Act, and other clinical activities as set forth by the College of Nurses of Ontario. This position has a strong emphasis on outreach, health promotion, disease prevention and community capacity building and works within a harm reduction framework.

The ideal candidate will leverage resources, navigate systems and build relationships with community stakeholders. This individual will develop and implement creative and efficient strategies to maximize health outcomes for our clients, using a coordinated community care planning model.

### Qualifications include:

- Current and valid registration in the Extended Class with the College of Nurses of Ontario and current registration in good standing with the College of Nurses of Ontario as a Registered Nurse RN
- Experience supporting individuals without a healthcare provider who are also experiencing mental health, addictions or concurrent disorders, street-involved populations (homeless, under-housed, sex trade workers), isolated seniors, sexually and gender diverse populations (LGBTQ+) at risk children, youth and families
- Worked with/been part of an interdisciplinary team
- Ability to provide compassionate, respectful, non-judgemental and culturally competent care to priority populations
- Ability to function independently in crisis situations and the ability to decide what presenting conditions are a priority
