	<p>2. Our second mandate concerns our largest target audience. These are the individuals who provide health and social services, and their employers, as our primary target audience. These agencies include, long-term care homes, ones who provide similar services for Niagara’s older adults living in the community, volunteer agencies and those like Meals on Wheels. We prepared a cultural competency “101” curriculum and successfully educated numerous such groups. Now we propose to prepare a level “201” cultural competency curriculum based on the RAO “Best Practices” in the care of senior 2SLGBTQI+ people.</p>	<p>2SLGBTQI+ citizens, our allies, and representatives of organizations providing services and programs to, with and for older 2SLGBTQI+ adults in the Niagara Region of Ontario.</p>
